

TOM JONES

TO ROCK MOUNT COTTON!

SIRROMET WINES – SUNDAY FEBRUARY 28 2010

With special guest David Campbell

One of music's most-loved and celebrated stars SIR TOM JONES will headline the next 'a day on the green' concert at Sirromet Wines on Sunday February 28 2010.

In his native Wales, he is known as "Jones the Voice". Today, he is one of the enduring personalities in the music entertainment business. His unique vocal power, ability and charismatic persona make him one of the most respected, admired and loved performers in modern popular music.

Tickets are on sale on Monday December 7 for what is sure to be one of the most memorable 'a day on the green' concerts held at Sirromet Wines! And in a special offer to mark the release of Tom's new album "24 Hours", for a limited time only, the ticket price will include a free copy of the album.

Tom has sustained his popularity for more than four decades. Born Thomas Jones Woodward in Pontypridd, South Wales, Great Britain on June 7, 1940, his father worked the coalmines of the Rhondda Valley, while his mother tended the house and the two children. After marrying at 17, Tom went on to sign with Decca Records in London.

Tom has a fundamental interest in a wide range of musical expression. Although he is best known for hits including Kiss, Delilah and If I Only Knew he is first and foremost a rocker with a true rhythm and blues soul. Tom was involved in Martin Scorsese's Red White & Blues series, and in 2004 released an album of big band songs with Jools Holland in the UK.

His 40-year career has seen highlights including receiving a BRIT Award for Outstanding Contribution to Music, a Silver Clef Award for Lifetime Achievement and appearing as himself in 'The Simpsons'. Other film roles have included parts in 'Mars Attacks!' and 'Agnes Brown'.

Tom was knighted by Her Majesty the Queen in 2006 and enjoys a consistent touring schedule throughout the year. His latest musical offering, "24 Hours" (Liberator December 4 2009), and was co-written by Tom himself – with many of the tracks being an insightful reflection of his life thus far. The album also includes "Sugar Daddy" which was specially penned for Tom by U2's Bono, and a re-make of Bruce Springsteen's "The Hitter".

Tom Jones is renowned for the quality of his live performance.

"Few performers can keep up with Tom Jones. His sold out show....left little doubt that Jones is a man who knows how to live. Screaming females don't dominate his audience nowadays....there seemed to be as many guys on hand looking to absorb a bit of his mojo."
(Boston Herald)

"The audience—a mix of ages and seemingly spanning the spectrum from true believers to ironists—was eager to be taken for a ride, or maybe be just run over. And so we were. Wham, bam, thank you, sir!!" (Vanity Fair)

"Jones' show is remarkable for its sheer relentlessness... But this is not an oldies show [and] his voice is as powerful as ever, maybe more so. [He] gives the people what he knows they want"

but on his time and his terms. When it's all over, you leave knowing you've been in the still-vital presence of the real lion king." (Las Vegas Sun)

Tom last visited Australia in 2005 for a joint tour with John Farnham, but this will be his first headline tour in 10 years. Tom has always enjoyed huge popularity in Australia and with an enviable live concert reputation that spans generations, tickets for the tour will be in hot demand!

Special guest support artist will be David Campbell. This multi-talented performer has featured on television programs, starred in musical theatre, devised his own cabaret shows in New York, recorded two Top 10 multi platinum albums and sold out concerts from coast to coast.

David's platinum album 'Keep On Lovin' has just been re-released as a special Tour Edition, which comprises the original CD, five never before released tracks including 'White Christmas' and live footage from the 'Good Lovin' DVD. Like Tom Jones, David loves nothing better than being on stage and is an absolute perfect addition to the concert!

Melbourne's acclaimed Wolfgramm Sisters will be opening the shows. Well-known for their explosive vocal harmonies, they have graced the stage with everyone from JET and Paul Kelly to the Rockwiz and Countdown Spectaculars. The girls release their self-titled debut album, a collection of stomping early seventies and sixties classics on December 18.

And remember, for a totally relaxing day, leave the car at home! Patrons are encouraged to pre-book on a coach to be collected from their accommodation or a nominated location.
